# Inverness Big Bass Classic Winners 2018

INVERNESS, FLA – It was a record year for the City of Inverness' Big Bass Classic. The event welcomed 164 anglers to Lake Henderson, which is an increase of 30 anglers from 2017. What makes this tournament exciting is the opportunity to win \$1,000 payout per hour. There are six hourly payouts, each worth \$1,000. Then there is a \$1000 payout for three additional categories: (1) Big Bass of the Day; (2) the Big Bag of the Day; and (3) the Lady Angler with the biggest fish of the day. This is a total of \$9,000 in payouts for the tournament.
